When and where will the race be held?

The Standard Chartered Jersey Marathon event will be held on Sunday 6 October 2019. The start and finish are at Weighbridge Place in St Helier. The 3k Fun Run uses the same start and finish line as the Marathon and the Relay Race.

The Marathon starts at 09.00hrs, the Relay Race at 09.30hrs and the 3k Fun Run starts at 10.00hrs.

Where is the Marathon Village?

The Marathon Village is located at Weighbridge Place, St. Helier. Please see a map on the following link:

Where do I collect my race pack?

Please note that we do not post race packs to runners, runners must collect their race packs from Registration, which is located in the Marathon Village. Registration is open at the following times:

Thursday 3rd October - 10:00-16:00

Friday 4th October – 10:00-16:00

Saturday 5th October – 10:00 - 21:00 (extended hours for overseas competitors)

Where do I report to on the day?

Please arrive at the Marathon Village at Weighbridge Place. Look out for marshals carrying signs marked up '3k Fun Run' – they will be located near the Information Tent and will be responsible for escorting the 3k Fun Runners to the start of the race.

What time do I have to be there?

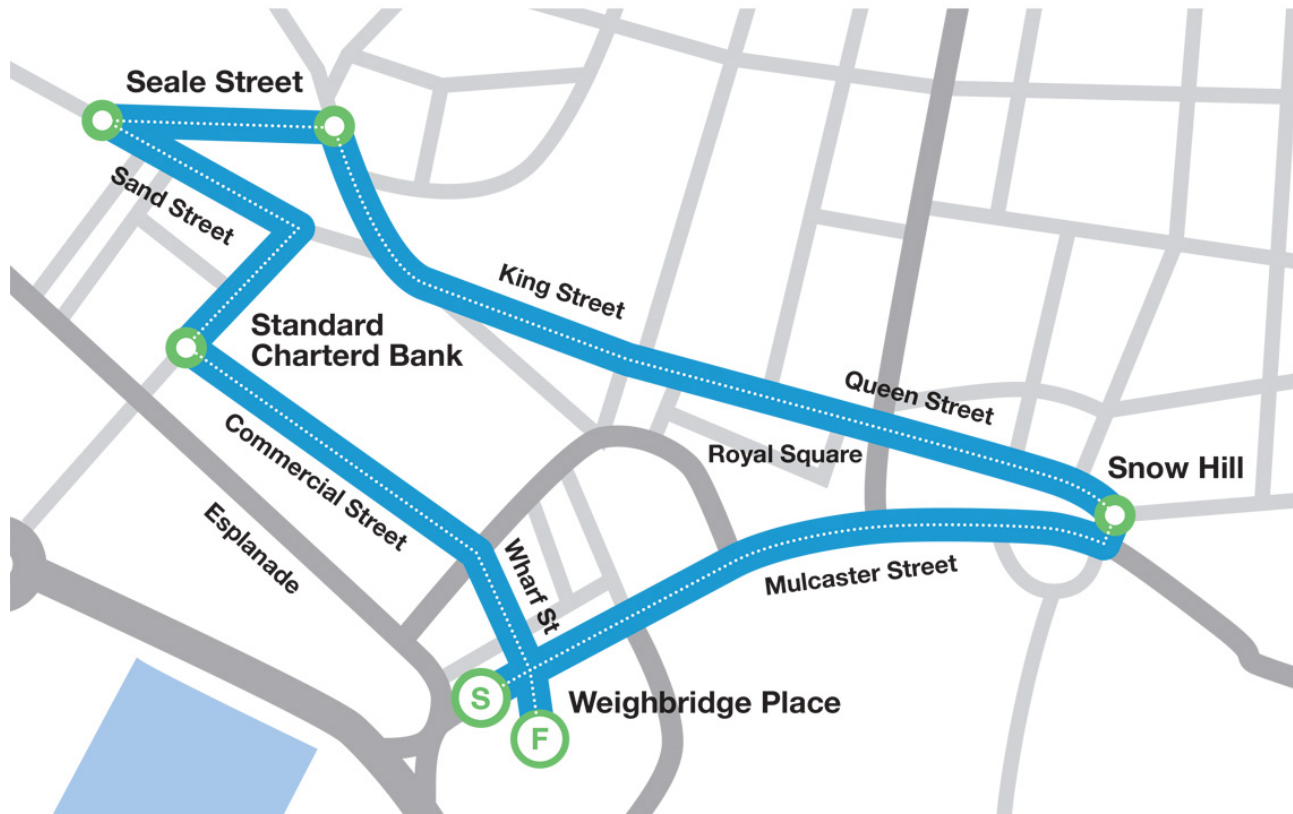

All runners in the 3k Fun Run need to be at the Weighbridge Place by the latest 09:30hrs. However please be aware there will be a children's warm up session at Liberation Square at 09:40 – 09:50 and we would like to see as many runners there as possible. Remember the roads in St Helier will be closed from 09:00hrs for the Marathon and Relay Race and if driving into town you should plan to arrive in good time to find parking as it will be a busy morning.

Where does the route go?

The 3k Fun Run will take a circuit **TWICE** around town, and then back to the main finishing line. The route will be clearly marked. Participants must go round this circuit twice or they will be marked down as not finishing the race.

Where does the race number go?

You must pin your race number on the front of your race top. Safety pins will be available when you collect your race pack. Please don't swop your race numbers around as your timing chip is registered to your number.

How are times recorded?

Times will be recorded in two ways – Gun Time and Chip Time.

- The Gun Time is the time from the sound of the starter's signal to the time when the runner crosses the finish line. Also known as the Official Time.
- The Chip Time is the time from when the runner crosses the starting mats at the start line, to the time when the runner crosses the finishing mats.

These two times will vary. To find out more about how ChampionChip® works go to www.championchip.com.

Where do I attach my chip?

You must attach your chip to your ankle using the strap provided, failing that runners can attach the chip to the shoelaces. The chip needs to be close to the ground so that the timing mat can pick up the chips signal at the start and finish of the race. Please remember to remove your chip and deposit it in the collection buckets after the finish line.

How are winners determined?

Gun time is the Official Time and all awards are based on Gun Time.

This is based on the International Associations of Athletics Federations (IAAF) Road Race Handbook, an excerpt explains the decision: "For road races and road walking events, the official time will be the time elapsed between the start gun and the athlete reaching the finish line. However, if an athlete crosses the start line after the start gun, his time elapsed between the start and finish line can be made known to the athlete but will not be considered as official time. The order in which athletes reach the finish line will be considered as the official finish position."

Will my times be on the website?

Yes. Chip times will be published on the website within 48 hours of the race.

Will there be medical assistance?

Yes. St John's Ambulance are supporting the event.

Will there be water available after the race?

Yes. There will be water for you at the finish line. Please also bring your reusable bottle as there will be Jersey Water container onsite.

What are the race categories?

When will the prizes be given out?

Prizes will be kindly presented by Lee Henry from the Jersey Development Company. The Marathon and Relay prize giving ceremony will take place at 15:00hrs in the Marathon Village marquee.

Where do I leave my bag?

You can leave your bag in bag drop located inside the Marathon Village marquee at the Weighbridge. Please mark the bag clearly with your race number and do not leave any valuables in the bag. The organisers cannot accept any responsibility for bags left in their care.

What parking facilities are available?

All town car parks will be available as normal. It is anticipated that traffic will be busy on the morning of the race, so please leave sufficient time to get into town, parked and to the start of the race. Please be aware that as the Marathon starts at 09:00hrs and the Relay Race at 09:30hrs that access to town car parks will be severely restricted from 09:00hrs up to approximately 10.15hrs, therefore, we advise you to arrive before 09:00hrs so that you do not miss the start of the 3k Fun Run. You can also see the start of the other two races and cheer on the runners.

When do I receive my finisher medal and t-shirt?

You can collect your t-shirt after the race from the Information desk, which is located inside the Marathon Village marquee. Medals will be awarded on the finish line.

Where do I send my sponsorship money?

Please bring your sponsorship money in the form of a cheque, made payable to The Jersey Marathon Trust, with you to Registration when you collect your race packs.

If you are unable to collect your sponsorship money by Race Day, please arrange for a cheque made payable to The Jersey Marathon Trust to be sent to the Race Organisers, Standard Chartered Jersey Marathon, C/O 3D Events, 1 Waterloo Street, St Helier, JE2 4WT.
