Official Charities

The official good causes benefiting from the 2011 Standard Chartered Jersey Marathon are Jersey Cancer Relief and Seeing is Believing. Every penny you raise via sponsorship will be divided equally between these two organisations.

Jersey Cancer Relief was established to help cancer patients and their families with the financial difficulties that accompany their illness. They help around 200 patients each year with everything from doctors fees to travel expenses.

Seeing is Believing is Standard Chartered's global programme to help tackle preventable and curable blindness. Since launching in 2003, Seeing is Believing has helped 23 million people, giving more than 2.78 million people their sight back.

In 2008, 'A New Vision' was launched and the Bank has committed to investing USD20 million to provide sustainable eye-care services for 20 million people in 20 cities by 2014. Through fundraising efforts such as the Standard Chartered Jersey Marathon, the Bank hopes to raise USD10 million which it has agreed to match.
